PREFACE

This is the third in the 1963 series of aerial photographic evaluations of specific information contained in reports [redacted]

25X1

[redacted] Except for a few [redacted] documents which have been paraphrased, the specific statements in the document being evaluated are presented exactly as received, the photographic evaluations printed immediately below. [redacted] information which cannot be evaluated by photographic analysis is omitted.

25X1

For each province there is a locator map showing the areas evaluated. The maps are annotated with principal cities and item numbers. Provinces are listed from west to east.

DOCUMENTS EVALUATED

The following is a listing of the source documents referenced in this publication. In all instances evaluation of the documents has been completed to the extent that they can be evaluated from available photography. In addition to providing complete document citations, the listing references the item numbers which deal with the documents.

Area 2 -- contains approximately 110 vehicles (Figure 5).

Area 3 -- contains a residential area; however, nationality of occupants is undetermined (Figure 6).

Area 4 -- contains 9 barracks/warehouse-type and numerous administrative/support-type buildings and approximately 5 vehicles (Figure 7).

Area 5 -- shows no evidence of a military school at this location.

Area 6 -- contains one large recreation-type, 5 two-storied apartment and numerous smaller buildings; 5 large Soviet-type tents; approximately 100 FA/AAA pieces; and approximately 50 vehicles (Figure 8).

Area 7 -- contains one medium Soviet-type tent and at least 30 vehicles parked under the trees (Figure 9).

Areas 8 and 9 -- show no evidence of magazine storage.

Area 10 -- contains numerous small buildings; at least 20 FA/AAA pieces; and approximately 300 vehicles (Figure 10).

Area 11 -- contains 4 barracks/warehouse-type buildings and at least 100 vehicles (Figure 11).

Area 12 -- contains numerous buildings; 4 large and 2 medium non-Soviet-type tents; and at least 10 vehicles/vans parked under the trees (Figure 12).

Area 13 -- contains no evidence of a communications school.
